

Usage Terms and Disclaimer

This Spreadsheet Tool has been created to assist in the analysis process of the LPB. The user must read the entire contents of the LPB Engineering Reference Manual as well as the applicable portions of the materials referenced within the manual. By using this Spreadsheet Tool, the user acknowledges and agrees that an understanding of the concepts contained within LPB Engineering Reference Manual and this Spreadsheet Tool are essential to the proper design of an LPB.

Final design and construction, for a specific application of an LPB, are the sole responsibility of the user. Anyone making use of this Spreadsheet Tool, the LPB Engineering Reference Manual and calculation process does so at his or her own risk and assumes any and all liability resulting from such use.

All calculations should be performed or reviewed by a qualified Professional Engineer prior to LPB installation. A qualified Engineer is one that is familiar with the site conditions, project conditions, soil mechanics and the design theory as described in the LPB Engineering Reference Manual. A final site and project specific design must be prepared by a registered Professional Engineer who is licensed in the state of the project.

ReCon Wall Systems, Inc. disclaims any and all expressed or implied warranties of merchantability or fitness for a particular purpose with regard to any and all use of this Spreadsheet Calculator, the LPB Engineering Reference Manual, or its design calculations and with regard to any information or products contained or referred to herein.
